

# UKJ CITIZENSHIP RULES

Royal PRO Edition • Official community document

**3-page professional English version with signature section**

## Purpose of the document

This document defines the principles of symbolic citizenship, member registration and digital membership in UKJ.

## Document contents

The document covers registration, membership rights and duties, digital membership, legal notice and signature approval fields.

## Important notice

UKJ symbolic citizenship is not state citizenship. A digital membership card, proof of membership or any UKJ document may not be used as a passport, national ID card, driving licence or any other official state identification document.

**Office of the Crown of UKJ • United Kingdom of Judaism**

### 1. Who may register

- Any natural person who agrees with the values and rules of UKJ may register.
- Registration is voluntary and takes place in digital form.
- The applicant must provide truthful and reasonable information needed to manage membership.
- UKJ may approve, postpone or reject registration if it conflicts with community principles or system security.

### 2. Symbolic citizenship and digital membership

#### What a member may receive

- digital membership in the UKJ community
- access to selected documents and information
- the ability to request a digital membership card
- participation in community activities under UKJ rules

#### What the digital card is not

- it is not a national ID card or passport
- it is not a driving licence
- it is not a travel document
- it is not official state identification

**Note:** UKJ digital membership has a symbolic, community and representational character.
